**Sen Lin Restaurant**

With more than 12 years of experience in gastronomy and after traveling throughout Asia discovering the ageless cuisine of this continent, Chef Antonio Cortaza captivates us with his new avant-garde specialties at Sen Lin Restaurant in Grand Velas Riviera Maya.

In Chinese *Sen Lin* means “forest” and this restaurant is most appropriately located amid nature, in the Master ambience inside the Convention Center of the hotel.

Sen Lin offers a unique concept in a space decorated in an elegant Asian style with personnel that will help you enjoy the best dining experience thanks to their warm hospitality and personalized service.

Chef Antonio Cortaza got his inspiration from the Asian cuisine; using the same ingredients, he gave them new textures and forms to offer guests an avant-garde menu. Each dish is an explosion of flavors, a rainbow of textures that makes for a unique culinary experience.

You can enjoy dinner at Sen Lin Restaurant any day of the week, from 6 pm to 11 pm. Dress code is elegant/casual for both children and adults.
