

Bruno Oteiza y Mikel Alonso

Bruno Oteiza and Mikel Alonso – Basques by birth but Mexicans at heart – have poured heart and soul into the art of fine cuisine. As part of the team at Grand Velas All Suites & Spa Resorts Riviera Maya, they have contributed not only their talent but also the chemistry that exists between them to create a space where even the most traveled and demanding palates will be surprised: Cocina de Autor.

At this extraordinary restaurant we find a blend of Basque and Spanish cuisine with Mexico's traditional gastronomy. In their menu we find the highest quality ingredients, seasonal delicacies and contemporary techniques, but most of all their passion for gourmet dining. At Cocina de Autor we can also find Xavier Pérez Stone, one of their pupils for many years and a tireless chef who has the day-to-day responsibility at the restaurant. Along the way they have been mentioned in the San Pellegrino list of the 100 Best in the World according to England's Restaurant Magazine, which for three years in a row has granted them the 81th, 45th and 33rd place last year.
